

Kausthub Mayuram

SOFTWARE DEVELOPER

OBJECTIVE

Experienced Software Developer with 5 years of proven expertise in problem-solving and contributing to organizational success. Dedicated to leveraging acquired skills while continually seeking new opportunities for growth and development in a dynamic professional setting.

EXPERIENCE

SOFTWARE DEVELOPER | NUVAMA GROUP

Oct 2021 - Present

Spearheaded the development of new features and enhancements for the transactional and onboarding platform utilizing various technologies like Angular, Node.js, Express etc. Collaborated closely with cross-functional team members to ensure project scalability and efficiency. Played a pivotal role in maintaining and updating legacy projects, ensuring they met current industry standards. Led the implementation of new modules, optimizing platform performance and user experience. Successfully rebranded the platform to align with company's IPO launch, ensuring a seamless transition for users and stakeholders.

SOFTWARE DEVELOPER | AVENDATA GMBH

Jan 2019 – Sept 2021

Led UI Development, maintaining web pages, components, and modules to meet project needs. Developed new product versions, focusing on creating scalable and reusable components. Coordinated with cross-functional teams to implement new features, ensuring seamless integration and alignment with project goals. Created Modular Wireframes using various tools, improving project development efficiency. Developed and deployed a Hybrid Mobile Application on the App Store and Play Store. Contributed to diverse internal projects, demonstrating adaptability and versatility.
